Dear Parents and Caregivers,

Last week four of our students participated in the South East Primary Schools’ Music Festival held at the Sir Robert Helpmann Theatre. Our students were members of a combined choir on the night. The standard of performance was excellent and our students are to be commended for representing our school in this activity. Well done Harry R, Eliza, Piper and Wil!

Next week is our Year 3-7 camp to Port Fairy which will be a great activity. A range of positive outcomes are achieved through students participating in camps, they get the opportunity to:

- Participate in new experiences and learn the benefits of an active lifestyle.
- Step outside their comfort zone.
- Develop social skills, including working together as a part of a camp community by helping around eating times with setting up, preparing meals and cleaning up.
- Develop an appreciation of the environment and nature.

There have been some changes to our itinerary which have been described in a note that has been sent home today for the Year 3-7 students who are participating in camp. If you have any queries please speak to your child’s class teacher.

Yesterday the Upper Primary class hosted a group of migrant students from Mount Gambier High School. I was extremely proud of our students as they displayed a fantastic level of respect and friendliness. Great job Upper Primary! In the coming weeks the students will meet again to continue their partnership.

Regards,

Stephen
